Thanks!

BTW, the instruments in CHL35 are packed in the shipping crates and ready to be closed up. I am draining the water from the instrument (weathering system) in CHL 36 and anticipate it will be ready for the crate by 2 pm this afternoon.

Robert,

May I have 15 office records boxes (8115-00-117-8249) to pack up my office (CHL11) materials?

Thank you,

Katrina
